Air Quality Forecast for the UK

Issued by the Met Office

Today: The fresh breeze, along with occasional showers for parts of the UK, will help to keep air pollution levels Low for all parts of the country on Saturday.

Tomorrow: With an area of rain moving south across the UK, along with breezy conditions and further showers following, little change is expected on Sunday. Air pollution levels will remain Low.

Outlook: Changeable conditions are expected to continue through the outlook period, with Low levels of air pollution persisting across the UK.
